Background

Jeff Allen is a favorite with corporations that wish to provide top-shelf comedy while knowing that the entertainment will appeal to all present and be totally appropriate.

Performing comedy for over four decades, Jeff Allen's work has been seen on every cable comedy show in the U.S. including Comedy Central's *Premium Blend* and VH1's *Standup Spotlight*. His one-hour special, *Happy Wife, Happy Life* aired on the Odyssey Channel and Family Net. He's been featured on the *Grand Ole Opry*, the *U.S. Comedy Arts Festival* in Aspen and the Montreal *Just for Laughs* International Comedy Festival – the world's most prestigious comedy venues.

Jeff Allen is regarded as one of the premiere clean comedians working today. Most of his humor centers on marriage and living with teenagers – material to which everyone can relate. Watch his videos and you'll see the difference. The humor he packs into his performance comes rapid-fire, and doesn't stop until the end.

It's the kiss of death to build up a comedian, because there is always the chance that it will make your expectations higher than he is able to deliver. That's not really a possibility here. Without fail, Jeff Allen knocks it out of the park every time – and not one nasty word.

Robert C. Mayes, CEO, BlueCreek Investment Partners

Jeff is a true professional, passionate about his craft, terrific to work with, and, he fully engages his audience. His humor ranges from subtle nuanced comic observations to outright in-your-face funny. The audience was rolling in the aisles during his show. I would absolutely book him again, and again, and again.

Charlie Beck, Executive Producer, Sisu Arts, Inc., Palatine, IL

Jeff was fantastic. The audiences loved him! I've had several requests already to invite him back. A co-worker who attended the show wrote: "Great show last night. Full house, everyone was pleased with Jeff's ability to be serious with the audience and moments later having them laughing freely. He truly is a man of honest expression. Great find!" I found Jeff to be quite cordial and very professional off stage as well. Things went very smoothly and overall it was a great experience.
