

Resources for Promoting Jeff Allen for Your Venue

This document is for the venue owner and/or manager, PR manager, ad buyer, social media implementer, and webmaster to help have your next event with Jeff Allen be a huge success.

Brief Bio

Jeff Allen combines clean, hilarious humor like no other comedian working today. He regularly appears on television, radio, and venues across the country. With over 200 million video views on Facebook, YouTube and other social media platforms, Jeff Allen is the world's funniest, most inspiring comedian!

Jeff's very successful sidesplitting comedy tour, *The America I Grew Up In*, drives home the humor in everyday family life, the ups and downs of marriage, the challenge of raising children, the bliss of the empty nest (followed by the unexpected returns to said nest) and the joys of being a grandparent. Audiences will immensely enjoy taking this journey with Jeff as he nostalgically weaves in how our country has changed since his formative years in the sixties. Jeff's shows are appropriate and open for all ages.
